Re: USA v. John Micali et. al.,  
Case # 03-CR-970-07

Dear Honorable Judge Sterling Johnson, Jr.:

With regards to the above matter, I respectfully submit this letter to Your Honor on my behalf requesting an adjournment of the sentencing of John Micali for four weeks from the schedule date of Wednesday, May 11, 2011.

The main reason for this request is due to my son's illness who was suffering from salmonella and was hospitalized. I did receive the Pre Sentence Investigation Report but was unable to study it which caused me a delay in the preparation for the sentencing of John Micali.

Thank you Your Honor.

Yours truly,
